RE: **Fulton v. Hull**
CA No. 2004CV11234 MEL

Dear Sir/Madam:

Enclosed for filing in the above captioned matter please find a copy of a weather certification, which is to go with the previously electronically filed Opposition of the Town to the Plaintiff's Motion for Partial Summary Judgment and Statement of Facts.

I was not able to scan this document in at the time I sent in the Town's response to the plaintiff's recent filing and indicated that I would mail it in. Mr. Stern, plaintiff's counsel, advised me today that he did not receive this document yet which causes me to be concerned that perhaps it had not been sent in to the court. I faxed Mr. Stern a copy of it, but wanted to be sure that the Court had a copy as well.

This matter is on for a motion hearing for Tuesday, July 11, 2006 at noon.

If you wish to discuss this matter in the meantime, I can be reached at **115 North Street, Hingham, MA 02043, telephone 781-749-9922, fax 781-749-9923.**

Thank you for your courtesy and cooperation.

Very truly yours,
